

ETOILE
RESIDENCE

Gerakas, Eschinou St.

Eschinou St.

Gerakas

In the Eastern Suburbs of Athens, in Gerakas, LUX&EASY Residences created ETOILE Residence, a new complex of eight residences.

The ground floor apartments have a private garden with a swimming pool, while all areas have large openings that provide unobstructed views. Great emphasis was also placed on smart and green architectural design, with solar and photovoltaic panels on the roof. In addition, geometric patterns and linear lighting on the main facade highlight the modern aesthetic.

The complex has direct access to Attiki Odos and is close to sports centers, the Municipal Swimming Pool and the local outdoor cinema.

By choosing your new home from LUX&EASY Residences, you are choosing the home of your dreams! You have the possibility to design the kitchen and bathrooms based on your personal taste, but also to choose the materials based on your needs and preferences, always with the constant support of our specially trained in-house team of decorators.

Apartment Dimension	106sqm – 132sqm
Bedrooms	3
Estimate Completion Date	Spring '25

Project

Features

Property with A+ energy rating

Landscapes

Gerakas, located in East of Attica, boasts a diverse and captivating landscape that provides a tranquil escape from the hustle of urban life. While the scenic beauty of the surrounding countryside remains, new residences tailored for families have emerged, offering an ideal living environment

Entertainment

The vibrant area of Gerakas offers a large variety of entertainment options: charming cafés, lively restaurants, recreational facilities such as sports complexes and parks. Additionally, within a few minutes you can reach the beautiful beaches of East Attiki and go on hiking or on a walking tour to Ymittos.

Public Services

The town's commitment to education is evident in its private and public schools, fostering a nurturing environment for learning.

Gerakas also has a well-connected public transportation system, with access to buses, metro stations and suburban railway.

Minimal
Design

Minimalist design is about prioritizing the essential: natural light, environmental consciousness, timeless aesthetics, reliability and long term functionality.

Timeless
Aesthetics

Timeless aesthetics is about subtle lines, adaptability, and outlasting trends. Design stripped to its core function, realized using limited materials, neutral colors, simple forms, and avoiding extravagances to achieve a pure form of elegance.

Pool & Garden

ETOILE Project

Immerse yourself in luxury with our stunning pool! The refreshing pool area offers relaxation and fun year-round. Surrounded by beautiful landscapes and lounging spaces, the pool is perfect for sunbathing or social events. It's an ideal spot to unwind and enjoy both serene moments and lively gatherings.

Living Room

ETOILE Project

Our living room combines comfort and style in a bright, airy space. Featuring modern elements, high-quality materials, and an open design, it's perfect for relaxing and entertaining. Natural light and contemporary decor enhance the welcoming atmosphere, making it a great place to unwind or host friends and family.

Bedroom

ETOILE Project

Experience peace and luxury in your bedroom!

Designed for comfort and relaxation, our bedrooms feature high-quality materials and modern furnishings.

The quiet, cozy space invites you to enjoy restful sleep and tranquility, creating a perfect retreat from the everyday hustle. It's your personal haven for relaxation and rejuvenation.

Apartment

Features

Energy Efficient Buildings

We offer apartments rated in energy class A+, equipped with autonomous heat pumps, solar panels, thermal facades, and solar water heaters, for energy savings of up to 70%!

Minimal Design

Minimal design is about prioritizing the essential. Less frame, endless view, natural light, environmental consciousness, natural colors and timeless aesthetics.

Thermal Facade

10 cm throughout the outer shell of the building.

Solar Powered Buildings

Our projects are equipped with solar panels producing electricity to be used on common areas, elevators, parking etc.

Latest Technology Lighting

Our buildings are equipped with the latest technology LED lighting, photocells, motion detectors and timers for maximum energy savings.

Large Openings

Our apartments are equipped with large openings to maximize the view and allow plenty of natural light to enter the property.

Underground Parking Facilities

Our buildings feature underground parking facilities in order to provide cover for the vehicles and protect them from damages.

Leading Excellence in Hotels & Residential Development

Leading Excellence in Hotels and Residential development

LUX&EASY is a premier Greek design and development company, specializing in high-end residential and hotel projects that redefine urban and holiday living. We are committed to innovation, sustainability, and luxury, ensuring that every project delivers exceptional quality and long-term value.

As an official partner of Hilton, we bring world-class hospitality to Greece, delivering iconic projects that elevate guest experiences. In 2024, we proudly launched the Hilton Garden Inn Athens and are now expanding our portfolio with:

- Hilton Garden Inn Chania, Crete
- Hilton Tapestry Collection in Heraklion, Crete
- Five more hotels in prime locations across Athens

With years of industry expertise, we are exploring exclusive investment opportunities in luxury, energy-efficient (Class A+) residences that embody minimalistic aesthetics in prime locations across Greece and Cyprus.

Our dedicated 138-member in-house development team drives excellence at every stage, ensuring top quality, innovative design, and client satisfaction. With 74 projects currently under development and 48 new projects in the licensing phase, we don't just create properties—we craft compelling investment opportunities that seamlessly blend design, functionality, and premium quality for enduring value.

LUX&EASY team is dedicated to guiding and assisting its valued customers through every step of the process.

Green Identity

The green philosophy that our company follows, can be found in all our projects.

Energy efficiency is improved, by taking advantage of all property orientations for natural light and installing a photovoltaic system with net metering for shared power.

Additionally, the installation of 10cm thick thermal façade throughout the property's outer shell and the use of energy-efficient aluminum frames contribute to reducing energy loss and minimizing the environmental footprint.

Smart Home

Experience the ultimate comfort, convenience, and efficiency with Smart Home, allowing you to effortlessly manage all smart devices remotely. Moreover, sustainability takes center stage, as you gain complete control over energy consumption, ensuring a more environmentally-friendly and energy-efficient home.

Step into the future of living with Smart Home, where cutting-edge technology and eco-consciousness combine to offer you a truly extraordinary lifestyle.

AA Credit Rating

On 10/10/2024 ICAP S.A. (Credit Rating Agency) proceeded to the award of credit rating AA to NOVA CONSTRUCTIONS S.A., classifying it at a low credit risk category.

According to the report of an independent auditor of Grant Thornton, the Green Bond Framework of NOVA Constructions, from 21/10/2021, implements best practices and procedures, in harmonization with the principles of issuing Green Bond published by the International Capital Market Association (ICMA) in June 2021.

Lux&Easy Residences balance sheets are audited by PWC chartered accountants.

ESG

At NOVA Constructions, as part of our broader policy to support sustainability and responsible business, we faithfully adopt the ESG (Environmental, Social, Governance) philosophy, operating in full compliance with applicable national and European environmental legislation and demonstrating responsibility us towards the environment, society and corporate governance.

Awards

Lux&Easy Residences was honored with the important Greek Business Champion award, from the awards-institution for the Greek business world, “Protagonists of the Greek Economy”, which was organized for the 8th time on July 2024 by the Direction Business Network.

The GOLDEN AWARDS® The Trophy™ institution took place as a physical award ceremony on top personalities on June 2024. The committee of the institution's esteemed jury panel, operating with the strictest criteria and consisting of international personalities from Greece and England, judged positively our course in the professional and social field and awarded us the official award certificates of the GOLDEN AWARDS® The Trophy™, which enshrines an important milestone, expressed as an exemplary achievement of life. The Trophy is now in our hands and conveys its brilliance, through its gold mirror quality construction, sealing 2023 in a unique way!

The GOLDEN AWARDS® The Trophy™ institution sets conditions such as contribution to culture, sensitivity to the environment, sustainability, vision, ethos, social contribution, reputation, etc.

Lux&Easy Residences received the official recognition by GOLDEN AWARDS® The Trophy™ in the category "Business Awards" with the following specific awards: «BUSINESS GROWTH AWARD», «CORPORATE SUSTAINABILITY AWARD» and «GREEN INNOVATION AWARD».

Lux&Easy Residences was awarded the Superbrands 2021, in the “Construction – Real Estate Development” field.

Superbrands Greece is part of a global institution represented in 91 countries, which evaluates and recognizes the top brands worldwide.

The elements that were evaluated and singled out the participation of Lux&Easy Residences are all those that have “built” a relationship of trust and reliability with the people who have already chosen it for their new home: minimal aesthetics, certified energy efficiency A+, non-negotiable “green” identity and competitive prices.
