SMART & SUSTAINABLE URBAN LIVING

DOMUS Residence combines high standards with clean minimal architecture and a contemporary residential character in Acharnes. Its design approach prioritizes comfort and efficient living, supporting reduced running costs and long-term performance. Reflecting LUX&EASY's Green Identity philosophy, it stands for sustainable construction, safety and enduring value.

MINIMAL DESIGN WITH **TIMELESS VALUE**

DOMUS Residence reflects LUX&EASY's philosophy through a clean, minimal architectural design, both in the building and in each apartment. Clear lines, balanced volumes and well-planned interiors create homes that feel visually calm and adapt easily to any interior style. With this timeless approach to design, LUX&EASY secures a clear competitive advantage, delivering properties that maintain their aesthetic and commercial value over time

SUSTAINABLE PHILOSOPHY WITH AN ECO-CONSCIOUS MINDSET

LUX&EASY integrates environmental awareness and sustainability at the core of every building it designs. Through energy-conscious design, modern efficiency systems and materials with a reduced environmental footprint, it creates homes that combine low operating costs with a high quality of living. This approach is not just a trend, but a steady commitment to responsible, contemporary construction that maintains its value over time, for both residents and the urban environment.
